

⚠️ The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the monthly premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.fideliscare.org or call 1-888-FIDELIS (1-888-343-3547). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. | Important Questions | Answers | Why This Matters: |
|---|---|--|
| What is the overall <u>deductible</u> ? | \$0 | You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <u>deductible</u> starts over (usually, but not always, January 1 st). See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible</u> ? | Yes – Preventive care is covered before you meet your deductible. | This plan covers some items and services even if you haven't yet met the deductible amount. Copayments or coinsurance may still apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at: https://www.healthcare.gov/coverage/preventive-care-benefits/ |
| Are there other <u>deductibles</u> for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this plan covers |
| What is the <u>out-of-pocket limit</u> for this plan? | \$200 | The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. |
| What is not included in the <u>out-of-pocket limit</u> ? | Premiums, balance-billed charges, and health care this plan doesn't cover | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a <u>network provider</u> ? | Yes – This plan does not cover most services provided out of network | It is important to make sure your provider is in-network, otherwise your claim might not be covered. This plan covers emergency services out of network. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No | You can see the in-network <u>specialist</u> you choose without permission from this plan. |
